# Praise our Awesome God

Bible School **E4:DISCIPLESHIP** BIBLE SCHOOL Still goes forward from strength to strength to further the Kingdom of God, right here on earth, to prepare for our Creator.

Many sons and daughters of a great boldness in all the Wisdom of God, The Living Word of God should be in many to be spoken and taken to the far corners of the earth for all to have the opportunity to receive Jesus Christ as their Lord and Eternal Saviour, forever and Ever, Amen - to your Glory Father God.

We ask for prayers over the worship team, preachers, elders, pastors, visitors and all whom step forward for Jesus Christ, the Son of God.

Thank you Father God, Thank you that you have a purpose and a plan for each individual, Thank you God, for you so love us, you gave your only begotten son so none should perish but have an eternal life with our creator, Lord of Lords, King of Kings

We give praise and honour for we are rich in you Lord and soon to be rich in paradise for our God Reigns, Hallelujah, Amen.

# DREAM PAGES

## Gill Milner's dream

This is the description of a dream I recently had. I thought I would share it with the church as it was so vivid and it is the second time I have dreamt about what I interpret to be signs of end times.

In the dream I am in a bungalow with a large sitting room and a massive picture window. Around me are several people including children (my own two when they were kids) Gary, my ex-husband Tony, Arlene and Dave and other people. Although I don't see the others I know they are there.

The kids are all chasing each other and running around, we are sat chatting and relaxing. Someone notices something outside and the children run to look out of the window. I glance up and the sky is changing colour to pink then purple and crimson. The clouds are changing from white to grey, then dark grey, then black. They expand then start rolling back rapidly. There was absolutely no sound to accompany any of the scene unfolding at all. The atmosphere in the room was still relaxed.

The adults were looking puzzled and hesitantly got up from their seats to move over to the window. The sky was really crimson now and clouds were forming, growing, darkening to black then rolling back quickly almost like curtains swishing open at the theatre. By this point we were all at the window, every one turning to look at one another with questions in their eyes.

Into view came a helicopter. It got bigger and bigger and as it approached it came down low and began to turn sideways, struggling to fly on. It loomed large in the sky and started to whirl around dipping and battling to stay air borne. Still no sound.

We all pulled the children away from the window back into the lounge turning their backs to the horror unfolding outside. We distracted them by encouraging them to sit down and play a game. When I turned once more to take another look the window itself on the outside was covered in a white foam that was slowly dripping down the glass. It obscured the view outside completely. Pure fear gripped my heart. I looked at Dave Cadman ( he was a very very old man - sorry Dave). He shook his head slowly, he was completely calm and collected and just looked at me and said "Well its started".

At this point I awoke . When I awoke i just knew that the white foam on the windows was everything outside melting and dissolving by an intense heat...

## PASSION

'Praise God' Pastor Rob brings with him a new passion in worship - to encourage and bring forth from the very heart and souls of worshippers in song at New Life Ministries to praise our Almighty God.

Having sat in on the first gathering with Rob and the to-be newly formed worship praisers in song, how wonderful to see the young of the church not just participating but it is already clear to hear, a great awakening within their souls.

Well done Katherine, Aylia, Wendy, Hannakha, Katie and Vicky. May your father God bless you all with much encouragement in his True Living Word through song in praise.

# Passion for his Presence

Friday 19th April 2013

In pursuit of more Pastor Vincent believes now is the time for Revival, the upper room conference hall can seat over 400. In Acts 1:20 people got together in the upper room they were in one mind waiting for the promise of the Holy Spirit, we 2000 years later await his end times, moves, there is an awakening in the air, a royal desire for his presence, a desire for revival that will shake our nation for such a time as this, Are we prospered?, Are we passionate for his presence?, Without it then it's just another well-meaning meeting. In the name of the Father, the Son and the Holy Spirit Come!

Come with an attitude to receive the touch of the Lord.

Meeting together Starts at 7pm downstairs with refreshments & then start of Passion for His Presence at 8pm in the Upper room.
